Leffe. 850 ans de traditions.

En 1152, dans la région de Dinant, près de la rivière Leffe, l'abbaye Notre-Dame de Leffe fut bâtie.

C'est là, en 1240, que les Norbertins créèrent la recette d'une bière qui allait connaître le succès à travers les âges.

Pour célébrer les 850 ans de la riche histoire de l'abbaye, nous éditons un timbre exclusif qui, nous l'espérons, sera aussi convoité que sa bière.

In 1152 werd in de buurt van Dinant, bij de rivier de Leffe, de abdij "Notre-Dame de Leffe" gesticht. De Norbertijnen ontwikkelden er in 1240 het recept voor het bier dat door de jaren heen bekend en geliefd werd.

Om deze rijke geschiedenis te herdenken brengen we voor het 850 jarige bestaan van de abdij een unieke postzegel uit die hopelijk even gegetend zal zijn als haar bier.

Leffe. 850 jaar tradities.

V10-3135

When printing the sheets V10-3135, things went terribly wrong, resulting in different versions.

{The many wrong versions (±50x) of the sheets are not shown here, such as: shifted perforations and/or colors and missing colors, etc...}
